दिनांक / Dated: 20.01.2015

To all teachers working in ASU Colleges

**CIRCULAR**

CCIM has taken steps for smart and transparent functioning of office by digitalizing the day to day function of this office to provide hassle free service to all the stakeholders. As part of smart functioning this office is developing a database of all the teachers and providing code number to the all eligible teachers.

In the mean time this office has received few complaints from students/parents/social welfare associations/fulltime teachers and also from social media with regard to visiting Teachers attending the colleges only on the date of visitation. CCIM have taken severe note of teachers presenting themselves only for visitation purpose and it is informed that strict action will be taken against such teachers as well as colleges indulging in such practice.

Further the teachers practicing in one state and shown as teacher in other state colleges, their registration to practice will be withdrawn by the respective State Board as per the direction of CCIM board and appropriate legal proceeding will be initiated against them.

All colleges/university authorities are requested to co operate with the effort of CCIM for smart and transparent governance of CCIM
