6.10 Compassionate grounds criteria:

6.10.1 Death of parent or supporting guardian during duration of first Professional phase (First BAMS).

6.10.2 Illness of candidate causing disability.

6.10.3 Disturbed conditions as declared by Government in the area in which the Ayurveda Medical College is located.

7. Training period and time distribution:-

7.1. Every student shall undergo a period of certified study extending over 4 ½ years from the date of commencement of study for the subjects comprising the curriculum to the date of completion of examination which shall be followed by one year of compulsory rotating internship.

7.2. Each academic year will consist of a minimum of 200 teaching days. All the Colleges shall function on six days a week except second Saturdays, Sundays and Holidays as applicable as declared by State/Central Government.

7.3. Teaching and learning shall be aligned and integrated across Departments both vertically and horizontally for better student comprehension. Student centered learning methods should include problem oriented learning, case studies, community oriented learning, self directed and experiential learning.

7.4. Every Profession shall start every year from 1st November onwards.

The Schedule of Theory Examinations and Orals/ Practicals shall be at the end of semester i.e. 1st April and 1st October of every year

7.5. The period of 4 ½ years is divided as follows:

I Professional: Pre - clinical Phase of 12 months with 2 semesters.

II Professional: Para - clinical Phase of 12 months with 2 semesters.

III Professional: Clinical Phase of 30 months with 5 semesters.

7.6 Phase wise distribution shall be followed as below:

I Professional: Pre - clinical Phase of 12 months.

(Fresher Orientation Course of 2 weeks and then teaching of pre clinical subjects)

Fresher Orientation Course will be followed by the teaching of Pre Clinical subjects under the departments as follows:

PRE CLINICAL PHASE	
Teaching Departments	Name of Teaching Subjects
Medical Education Unit (To be established by College itself other than teaching Departments with existing teaching Staff)	Fresher Orientation Course (FOC)
Samhita & Siddhantha	1.Basic Sanskrit 2.Maulik siddhantha (Note: this includes the current subject Padartha Vigyan) 3.Sutra Sthana of Samhithas (Note: Selected chapters of Sutra Sthana from Samhithas will be followed)
Rachana Sharir	1.Human Anatomy –I (Upper limb & Lower limb) 2.Human Anatomy-II (Thorax and Abdomen) 3.Human Anatomy-III (Head and Neck) 4.Sharira Sthana of Samhithas (Note: Selected chapters of Sharira Sthana from Samhithas related to the subject will be followed)
Kriya Sharir	1.Human Physiology- I 2.Human Physiology- II 3.Medical Biochemistry 4.Sharira Sthana of Samhithas (Note: Selected chapters of Sharira Sthana from Samhithas related to the subject will be followed)

Fresher Orientation Course

Goal: - The goal of the Fresher Orientation Course is to prepare a student to study Ayurveda science effectively. It will be of two weeks duration after admission.

Objectives: - The objectives are to:

a. Orient the student to:

- (i) The medical profession, ethics and the clinician's role in society,
- (ii) The BAMS programme,
- (iii) Other health systems in the country and abroad
- (iv) Origin, History and scope of Ayurveda
- (v) Introductory Sanskrit

It is intended for students who have little or no previous knowledge of the language. Emphasis will be given to understanding of alphabets, the basic grammatical structures and the Devanagari script.

- (vi) Dharshanas
- (vii) Ayurveda in other Countries
- (viii) Ministry of AYUSH, CCIM and other functionaries
- (ix) Campus visit (college and hospital)

b. Enable the student to acquire enhanced skills in:

- (i) Language,
- (ii) Interpersonal relationships,
- (iii) Communication,
- (iv) Learning including self-directed learning,
- (v) Time management,
- (vi) Stress management,
- (vii) Use of information technology.

c. Train the student to provide:

- iii) First-aid,
- iv) Basic life support.

Each Institution shall have Medical Education Unit to develop their own learning modules and identify the appropriate resource persons for their delivery. These sessions must be as interactive as possible. The time committed for the Fresher Orientation Course may not be used for any other curricular activity.

At the end of the FOC, assessment shall be made based on the presentation made by the student and the performance shall be graded by the Medical Education Unit of the College and sent to the University.

Grading Code	Performance Level	Marks
A	Outstanding Performance	80-100
B	Meritorious Performance	70-79
C	Substantial Performance	60-69
D	Moderate Performance	41-59
E	Elementary Performance	Up to 40

Grading shall reflect in the mark sheet issued by the University at the end of the I semester.

Followed by FOC, the Pre clinical subjects are divided in to two semesters as follows:

Study Pattern of I Profession	Semester wise Distribution of Teaching Subjects	Schedule of Examination		
		Theory	Practicals /Viva	Declaration of Results
I Semester Start Date- 1 st November End Date- 31 st March	1.Basic Sanskrit 2.Human Anatomy –I 3.Maulik siddhantha 4.Medical Biochemistry 5.Human Physiology- I	1 st April to 10 th April	11 th April to 20 th April	30 th April
II Semester Start Date- 1 st May End Date- 30 th September	1.Human Anatomy-II 2.Human Anatomy-III 3.Sutra Sthana of Samhithas 4.Sharira Sthana of Samhithas 5.Human Physiology- II	1 st October to 10 th October	11 th October to 20 th October	30 th October

The Number of learning hours of Pre clinical Phase (FOC+ Pre Clinical Subjects) shall be from

Semesters	Name of the Subjects	Number of working Days	Number of Teaching Hours				Marks Allocation in Examination		
			Theory	Practicals	Horizontal & Vertical Teaching	Total	Theory	Practicals / Viva	Total marks
I Semester	FOC	12 Days	84 hrs	-	-	84	Grading by College MEU		
	Basic Sanskrit	88 days	90	-	-	90	100	-	-
	Human Anatomy –I		85	70	15	170	100	100	200
	Maulik siddhantha		90	-	10	100	100	-	-
	Medical Biochemistry		50	24	10	84	100	50	150
	Human Physiology- I		85	70	15	170	100	100	200
II Semester	Human Anatomy-II	100 days	85	70	15	170	100	200	400
	Human Anatomy-III		85	70	15	170	100		
	Sutra Sthana of Samhithas		75	10	10	95	100	50	150
	Sharira Sthana of Samhithas		75	10	10	95	100	50	150
	Human Physiology- II		85	70	15	170	100	100	200

II Professional: Para- clinical Phase consists of 12 months with Para-clinical subjects under the departments as follows:

PARA CLINICAL PHASE	
Teaching Departments	Name of Teaching Subjects
Dravyaguna	1. Dravyaguna Siddhantha (Fundamentals of Ayurveda Pharmacology) 2. Essentials of Modern Pharmacology 3. Ayurveda Materia Medica 4. Pharmacognosy
Rasashastra evam Bhaishajya Kalpana	1. Rasashastra 2. Pharmaceutical chemistry & Pharmacy Instrumentation 3. Bhaishajya Kalpana
Roga Nidan evam Vikriti Vigyana	1. Essentials of Modern Pathology and Investigative Procedures 2. Ayurveda Diagnostics & Clinical Methods 3. Nidana Sthana (Note: Selected Chapters of Nidana Sthana from Bhrhutrayis and chapters from Laghutrayis will be followed)

The Para Clinical subjects are divided in to Two semesters as follows

Study Pattern of II Profession	Semester wise Distribution of Teaching Subjects	Schedule of Examination		
		Theory	Practicals /Viva	Declaration of Results
III Semester Start Date- 1 st November End Date- 31 st March	1. Dravya Guna Siddhantha 2. Essentials of Modern Pharmacology 3. Rasa shastra 4. Pharmaceutical chemistry & Pharmacy Instrumentation 5. Essentials of Modern Pathology and Investigative Procedures	1 st April to 10 th April	11 th April to 20 th April	30 th April
IV Semester Start Date- 1 st May End Date- 30 th September	1. Ayurveda Materia Medica 2. Bhaishajya Kalpana 3. Pharmacognosy 4. Ayurveda Diagnostics & Clinical Methods 5. Nidana Sthana	1 st October to 10 th October	11 th October to 20 th October	30 th October

The Number of learning hours of Para Clinical Phase shall be

Semesters	Name of the Subjects	Number of working Days	Number of Teaching Hours				Marks Allocation in Examination		
			Theory	Practical's	Horizontal & Vertical Teaching	Total	Theory	Practicals / Viva	Total marks
III Semester	Dravya Guna Siddhantha	100 days	80	-	15	95	100	-	100
	Essentials of Modern Pharmacology		80	-	15	95	100	-	100
	Rasashastra		85	70	15	170	100	100	200
	Pharmaceutical chemistry & Pharmacy Instrumentation		50	30	15	95	100	50	150
	Essentials of Modern Pathology and Investigative Procedures		85	70	15	170	100	100	200
IV Semester	Ayurveda Materia Medica	100 days	85	70	15	170	100	100	200
	Bhaishajya Kalpana		85	70	15	170	100	100	200
	Pharmacognosy		60	20	15	95	100	50	150
	Ayurveda Diagnostics & Clinical Methods		50	30	15	95	100	50	150
	Nidana Sthana		85	70	15	170	100	100	200

III Professional: Clinical Phase consist of 30 months with clinical subjects under the departments as follows:

CLINICAL PHASE	
Teaching Departments	Name of Teaching Subjects
Swasthavritta and Yoga	<ol style="list-style-type: none"> 1. Swasthavritta (preventive and promotive health) 2. Ayurvedic Dietics and Nutrition 3. Ashtanga yoga 4. Community health
Agad Tantra evam Vidhi Vaidyaka	<ol style="list-style-type: none"> 1. Agad Tantra 2. Forensic Medicine 3. Legal Studies on Ayurveda
Kayachikista	<ol style="list-style-type: none"> 1. Kaya Chikitsa (Chikitsa Sthana from Samhithas) 2. Ayurvedic Pharmaco therapeutics in systemic disorders 3. Therapeutic yoga & Rehabilitation 4. Kayachikitsa-Rasayan & Vajikaran (Geriatrics) 5. Kayachikitsa - ManasaRoga (Psychiatric) 6. Emergency Medical Care
Shalya Tantra	<ol style="list-style-type: none"> 1. Shalya vigyan - Nidan & Chikitsa of Sushrutha Samhitha 2. Essentials of General Surgery 3. Kshara karma and Anushastra karma 4. Marma chikitsa 5. Sports Ayurveda
Prasuti Tantra & Striroga	<ol style="list-style-type: none"> 1. Prasuti Tantra & Striroga 2. Essentials of Obstetrics & Gynaecology
Kaumarbhritya Balroga	<ol style="list-style-type: none"> 1. Kaumarbhritya 2. Essentials of Pediatrics
Panchakarma	<ol style="list-style-type: none"> 1. Panchakarma-PurvaKarma /Upakarma (Note: Selected chapters from Samhithas will be followed) 2. Panchakarma-Pradhankarma (Note: Selected chapters from Samhithas will be followed)
Shalakya tantra	<ol style="list-style-type: none"> 1. Shalakya -Uttara Tantra of Sushrutha Samhitha 2. Essentials of Ophthalmology , ENT & Dentistry
Samhita & Siddhantha	<ol style="list-style-type: none"> 1. Introduction to Research methodology and biostatics

The Clinical subjects are divided in to Five semesters as follows

Study Pattern of III Profession	Semester wise Distribution of Teaching Subjects	Schedule of Examination		
		Theory	Practicals /Viva	Declaration of Results
V Semester Start Date- 1 st November End Date- 31 st March	<ol style="list-style-type: none"> 1. Swasthavritta (preventive and promotive health) 2. Ashtang yoga 3. Agad Tantra 4. Kayachikista(Chikista sthana) 5. Panchakarma -PurvaKarma/Upakarma 	1 st April to 10 th April	11 th April to 20 th April	30 th April
VI Semester Start Date- 1 st May End Date- 30 th September	<ol style="list-style-type: none"> 1. Ayurvedic Pharmaco therapeutics in systemic disorders 2. Ayurvedic Dietics and Nutrition 3. Forensic Medicine 4. Legal studies on Ayurveda 5. Community health 6. Panchakarma-Pradhankarma 	1 st October to 10 th October	11 th October to 20 th October	30 th October
VII Semester Start Date- 1 st November End Date- 31 st March	<ol style="list-style-type: none"> 1. Shalya Vigyan(Sushrutha Nidan & Chikitsa) 2. Marma chikitsa 3. Emergency Medical care. 4. Shalaky tantra(Sushrutha Uttara Tantra) 5. Prasuti Tantra & Striroga 	1 st April to 10 th April	11 th April to 20 th April	30 th April
VIII Semester Start Date- 1 st May End Date- 30 th September	<ol style="list-style-type: none"> 1. Essentials of Ophthalmology, ENT &Dentistry 2. Essentials of General Surgery 3. Kshara karma and Anushastra karma 4. Essentials of Obstetrics & Gynaecology 5. Therapeutic yoga & Rehabilitation 	1 st October to 10 th October	11 th October to 20 th October	30 th October
IX Semester Start Date- 1 st November End Date- 31 st March	<ol style="list-style-type: none"> 1. Kaumarbhritya 2. Essentials of Pediatrics 3. Sports Ayurveda 4. Kayachikitsaa-Rasayan & Vajikaran Chikista(Geriatics) 5. Kayachikitsa manasachikista (Psychiatric) 6. Introduction to Research methodology and biostatics 	1 st April to 10 th April	11 th April to 20 th April	30 th April

The Pattern of Teaching hours shall be

Semesters	Name of the Subjects	Number of working Days	Number of Teaching Hours				Marks Allocation in Examination		
			Theory	Practicals / Clinicals	Horizontal & Vertical Teaching	Total	Theory	Practicals / Viva	Total marks
V Semester	Swasthavritta (preventive and promotive health)	100 days	80	-	15	95	100	-	100
	Ashtang yoga		80	-	15	95	100	-	100
	Agad Tantra		85	70	15	170	100	100	200

	Kayachikitsa manasa chikista (Psychiatric)		50	30	15	95	100	50	150
	Research methodology and biostatics		50	10	15	75	100	50	150

Competencies at the end of the learning each subjects shall be described while framing the syllabus by Central Council of Indian Medicine. Didactic lectures shall not exceed one third of the schedule; two third of the schedule shall include interactive, practical, clinical or/and group discussions. The learning process should include living experiences, problem oriented approach, case studies and community health care activities. The teaching roster should be carefully prepared by each institution so as to give adequate and justified time for students to learn as well as prepare for their assessments.

8. Universities shall organize admission timing and admission process in such a way that teaching in the first Professional year commences with induction through the Fresher Course by the 1st of November each year.

8.1. University shall conduct the examinations as indicated in the schedule. Minimum 80% attendance is mandatory to appear for examination in each semester.

8.2. Supplementary (arrear) examinations shall be conducted not earlier than 60 days and not later than 90 days after the declaration of results, if the students fail again, will appear in the subsequent semester. Universities in order to complete the examination schedule along with regular schedule shall conduct Supplementary (arrear) examinations in afternoon sessions.

8.3. The failed student of First semester shall be allowed to appear in second Semester examination but the student shall not be allowed to appear in third Semester examination unless the student passes all the subjects of first Semester examination. Partial attendance of examination in any subject shall be counted as an attempt.

The failed student of second semester shall be allowed to appear in third Semester examination but the student shall not be allowed to appear in fourth Semester examination unless the student passes all the subjects of second Semester examination. Partial attendance of examination in any subject shall be counted as an attempt.

The failed student of third semester shall be allowed to appear in fourth Semester examination but the student shall not be allowed to appear in fifth Semester examination unless the student passes all the subjects of third Semester examination. Partial attendance of examination in any subject shall be counted as an attempt.

The failed student of fourth semester shall be allowed to appear in fifth Semester examination but the student shall not be allowed to appear in sixth Semester examination unless the student passes all the subjects of fourth Semester examination. Partial attendance of examination in any subject shall be counted as an attempt.

The failed student of fifth semester shall be allowed to appear in sixth Semester examination but the student shall not be allowed to appear in seventh Semester examination unless the student passes all the subjects of fifth Semester examination. Partial attendance of examination in any subject shall be counted as an attempt.

The failed student of sixth semester shall be allowed to appear in seventh Semester examination but the student shall not be allowed to appear in eighth Semester examination unless the student passes all the subjects of sixth Semester examination. Partial attendance of examination in any subject shall be counted as an attempt.

The failed student of seventh semester shall be allowed to appear in eighth Semester examination but the student shall not be allowed to appear in ninth Semester examination unless the student passes all the subjects of seventh Semester examination. Partial attendance of examination in any subject shall be counted as an attempt.

- 8.4. Maximum four chances (one regular exam and three supplementary exams) shall be limited per semester to complete. Otherwise the student has to quit the course.
- 8.5. A student shall not be allowed to graduate later than 9 years of joining first BAMS course.
- 8.6. During the entire Course, apart from Teaching hours, the student has to complete minimum 5 choice based electives with minimum 30 credit hours each organized by Medical Education Unit of the College as indicated in Table below:

Spoken Sanskrit	To be completed at the end of Pre Clinical Phase atleast one as elective with 30 hours of credit
Computer Applications	
Personality Development & Communication Skills	
Good Manufacturing Practice	To be completed at the end of Para Clinical Phase atleast two as elective with each 30 hours of credit
Bio Medical Applications	
Preparation of Digital Herbarium	
Preparation of Monograph	
Industrial Visits	
Environmental Sciences	
Medical Writing	To be completed at the end of Clinical Phase atleast two as elective with each 30 hours of credit
Clinical Research	
Hospital Management	
Disaster Management	
Manuscript Interpretation	
Entrepreneur Skills Training	

9. Compulsory Internship

Duration of Internship: 1 year

The student will join the compulsory internship programme after passing the final professional examination. The internship programme will start after the declaration of the result of final professional examination. The period of the internship will be of one year.

Internship Programme and time distribution will be as follows:-

1. The interns will receive an orientation regarding programme details of internship programme along with the rules and regulations, in an orientation workshop, which will be organized during the first three days of the beginning of internship programme. A workbook will be given to each intern. The intern will enter date wise details of activities undertaken by him/her during his/her training.
2. Every intern will provisionally register himself with the concerned State Board/Council and obtain a certificate to this effect before joining the internship program.
3. Daily working hours of intern will be not less than eight hours. Normally one year internship programme will be divided into

Clinical training of

1. Six months in the Ayurvedic hospital attached to the college
2. Three months in PHC / CHC / Rural Hospital/District Hospital/Civil Hospital /Private Hospital or any Govt. Hospital of modern medicine.
3. Three months at Non teaching Ayurveda Hospitals approved by Council for Internship training or under Guru recognised as Mentor for Internship by Council

Assessment shall be done after the completion of Internship with four Examiners, two internal and two external on the clinical competencies of Interns and if student fails in the assessment ,he/she shall redo 10% of the Internship period again. Maximum four chances will be given to Internees to pass Internship.

10. **Qualification, Experience & Examiners shall be as per Teachers regulations.**
