12(d) “with the previous sanction of the Central Government, fix the remuneration and allowances to be paid to the President, Vice-President and members of the Central Council and to the Members of the committees thereof and determine the conditions of service of the employees of the Central Council.”

**Central Council agreed to the proposal of Dr. Raghunandan Sharma.**

**Agenda Item No.4** Ratification of the minutes of 119th meeting of Executive Committee held on 29.12.2003 at New Delhi

It was noted that the minutes of 119th meeting of Executive Committee held on 29.12.2003 were circulated to all the members at the time of consideration of agenda item.

*The Central Council considered and ratified the same.*

**Agenda Item No.5** Ratification of the minutes of 120th meeting of Executive Committee held on 23.3.2004 at New Delhi

It was noted that 120th meeting of Executive Committee was held on 23.3.2004. The minutes of the same were circulated to all members of the Central Council.

*The Central Council considered and ratified the same with following modifications:*

At the outset of meeting in regard to Dehradoon Ayurved College, Dehradun, Central Council discussed deliberately and Chairman, Education Committee (Ayurved) placed the full and factual position of the institution.

Dr. SK Sharma, member, CCIM informed that Department of AYUSH has examined this case from each and every angle and did not found any solution of this case.
Dr. Hari Narayan Swamy proposed that since future of about 137 students admitted in Dehradoon Ayurved College, Dehradun is at stake so the President, CCIM may consider this matter sympathetically which was agreed by the President.

(vii) Ratification of the action taken by the President, CCIM for notification of the Regulations namely “Establishment of New Medical College, Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College, Regulations, 2003.”

It was noted that Government of India, Ministry of Health & Family Welfare, Department of AYUSH, New Delhi vide letter No.R.12011/01/2003-EP dated 4th February, 2004 has approved draft Regulations namely “the Establishment of New Medical College, Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College, Regulations, 2003” for notification regarding to set up a new college of Indian Systems of Medicine, to increase intake capacity and to start new or additional course.

It was also noted that the objections/variations were submitted to Government of India for reconsideration. A meeting on 25.2.2004 was also held with Joint Secretary of AYUSH and other officials and President, CCIM, Vaidya SK Mishra, Chairman, Education Committee (Ayurved) and Vaidya Ved Prakash Tyagi, Vice-Chairman, Regulation Committee. The Government of India vide their letter No.R.11011/01/2003-EP dated 26th February 2004 again informed as under:-

“The draft regulations prepared by CCIM had been duly examined. The regulations have been issued for notification to the CCIM after obtaining approvals of the competent authorities.

It was requested that the regulations may be notified without further loss of time. The suggestions given by the Council vide their letter under reference are not feasible for inclusion at this stage. You are requested to furnish a copy of the regulations after notifying the same positively by 27.2.2004.”

In view of the above, the President agreed to notify the same. Accordingly, Regulations were sent for publication in the Gazette of India.

*Executive Committee ratified the action taken by the President. However, the Committee was of the opinion that the notification is on very high side in respect of requirement of land, amount of Bank Guarantee and Fees etc. The Executive Committee decided that the matter be taken up with the AYUSH Department for making necessary amendments in the notification.*
The Central Council ratified the action of the President, CCIM with the condition that Government of India may be requested to amend the same as decided by the Executive Committee.

However, Dr. Ved Prakash Tyagi was not agree to this decision and he recorded his note of descent against this decision.

(ix) Irregular upgradation and change of nomenclature of the posts of Technical Officer (Ayurved/Unani), Assistant Secretary and Assistant Registrar (Registration) – regarding.

It was noted that the issue of upgradation and change of nomenclature of post of technical Technical Officer (Ayurved/Unani), Assistant Secretary and Assistant Registrar (Registration) was submitted to Ministry of Health & Family Welfare, Department of AYUSH, New Delhi to accord the ex-post facto approval of the Government. In response to the same, Government of India, Ministry of Health & Family Welfare, Department of AYUSH, New Delhi vide their letter No.V.27020/2/99-Ay.Desk dated 2nd January 2004 stated that representation of Vaidya Shriram Sharma, President, CCIM for grant of ex-post-facto sanction to the irregular upgradation of four posts [Technical Officer (Ayurved/Unani), Assistant Secretary and Assistant Registrar] in contravention of Section 12 (d) of the IMCC Act, 1970 has been considered and has not been agreed to. Immediate action on the Ministry’s letter dated 1.10.2002 be taken and send the status report. The content of letter dated 1.10.2002:-

A) Restore the posts of Technical Officer (Ayurveda/Unani) Assistant Secretary, Assistant Registrar (Registration) to their normal replacement scale of Rs.6500-10500/-. Recover the excess payment made a result of irregular upgradation, together with 6% penal interest.

B) Conduct Internal enquiry to fix responsibility for irregular upgradation and its intimation despite two clear objections of the CAG and send report to this Ministry within three months.

The Central Council is advised to intimate action as indicated above.

C) The Council is however, free to send a fresh proposal with full justification and background for upgradation of the posts indicated at para 1, above for sanction of the Ministry, as per provision of the section 12 (d) of Indian Medicine Central Council Act, 1970.

A-- An Office Order to restore the posts may be issued to the concerned.
B—The Executive Committee may kindly consider and constitute an Internal Enquiry Committee to conduct Internal Enquiry to fix the responsibilities for irregular upgradation.

C— Fresh proposals have been submitted to the Government of India as required under Section 12(d) of IMCC Act, 1970.

Executive Committee considered the issue and decided that;

(a) An office order to restore the post and scale be issued to the concerned.

(b) The Executive Committee constituted a Sub-Committee consisting of the following members to conduct Internal Inquiry to fix the responsibilities for irregular upgradation.

1. Vaidya SK Mishra, Chairman, Education Committee (Ayurved)
2. Dr. Madan Sarup Gupta, Chairman Education Committee (Unani)
3. Vaidya Devendra Triguna

Vaidya SK Mishra did not agree to include his name in the said Committee, Central Council agreed to include the name of Prof. Abdul Mobin Khan, Vice-President (Unani) in place of Vaidya SK Mishra, Chairman, Education Committee (Ayurved).

(c) Ratified the action taken by the office to submit the fresh proposal as required under section 12(d) of IMCC Act, 1970.

It was also decided that the matter to consider the pay scale of 1st ACP to be given to Hakim GS Reena, Assistant Registrar (Unani) be placed before the Departmental Promotion Committee for consideration.

Agenda Item No.6 Ratification of the minutes of 33rd meeting of Ayurveda Committee held on 22.3.2004.

It was noted that 33rd meeting of Ayurved Committee was held on 22.3.2004. The minutes of the same were circulated to all the members of the Central Council. However, the minutes were read by Vaidya SK Mishra, Chairman, Education Committee (Ayurved).

The Central Council considered and ratified the same with following modifications:-

2 (xi) Consideration of visitation reports of Ayurved Colleges.

20. Govt. Ayurved College, Reewa

Considering available facilities of teaching and practical training in the Institution, Committee decided to grant permission to admit 40 students in Ayurvedacharya Course and five students in Samhita of Post-graduate Course in the year 2003-2004 subject to fulfillment of shortcomings and firm assurance for at least addition of 20 more beds and submit the compliance report by 30th November, 2003.

3(viii) To fix the duration of training of USG/image scanning.
It was noted that Dr. VK Behal DDG (ID) dated 21.8.2003 has asked to suggest the duration of training of USG/image scanning of various discipline i.e. Ayurveda, Siddha and Unani Tibb to place before the Hon’ble Minister for Health & Family Welfare in a meeting of the Central Supervising Board constituted under the Pre-natal Diagnostic Techniques (Regulates Prevention of misuse) of Act, 1994.

In this regard, it was noted that demand of the various Associations were received in the office time to time that Graduate of Indian Systems of Medicine should be allowed to use the USG etc.

It is further noted that some practitioners of Ayurved and Unani practicing in Uttar Pradesh, Haryana met to President on 13.3.2002 to discuss the problems of practitioners of ISM being faced by them imposing the various orders of the State Government regarding uses of diagnostic appliance like x-ray, Ultra-sonography in their clinical practice.

President, CCIM desired that three members namely Vaidya SK Mishra, Chairman, Education Committee (Ayurved), Vaidya GL Chanana, Chairman, Finance Committee and Dr. MS Gupta Chairman, Education Committee (Unani) may examine the matter in the detail on 18.3.2002.

After going through the syllabus of Ayurvedacharya Course it is observed that Syllabus of Rogavigyan Vikiriti Vigyan reads as under:-

iz;ksfxdh;

1- iz;ksx’kkyh;

1- iqjh"kew=jDr"Bhouijh{k.ke~
2- {k&fdj.k ,oa vU;fdj.k ijh{kk] vfr/ofu ijh{kk A

7- O;kf/k ,oa vf/k"kBkuHkensu fod`fr’kjhjko;okuka ijh{k.ke~ A
The Committee decided that the qualification holders of Ayurvedacharya (BAMS) and Kamil-e-Tib-o-Jarahat (BUMS) and previous equivalent qualifications included in Second Schedule of IMCC Act, 1970 are trained to handle and use modern technological innovation like Radiology ultra sonography, ECG etc. in their Clinical practice.

**In view of the above, Education Committee decided that duration of training may be kept as similar to MBBS.**

The Central Council decided that a letter be written to State Government for providing the training of USG/Image scanning to ISM practitioners.

(xii) **Representation of Zakaria Ayurved College, Gulbarga.**

It was noted that society of Zakaria Ayurved College, Gulbarga i.e. Islamia Education Trust has submitted the compliance report and has consented to withdraw the case filed in the Hon’ble Court of Karnataka at Bangalore for legal justice.

In this regard following facts were placed below:-

1. **1997-98**
   College was visited and not permitted.

2. **1998-99**
   College was visited and permitted for 25 students.

3. **1999-2000**
   College was visited but not permitted.
4. **2000-2001**

College was visited but affiliation of the university was asked (date of meeting 7.8.2000).

The college submitted the affiliation of the University on 8.10.2001 after lapse of about one year. The University granted affiliation for the session 2000-2001. Since the college submitted Status of affiliation during mid session to the Central Council. No visitation was carried out. So nothing could be done for the session 2001-2002. However, college made admission of 15 students for the session 2001-2002 without the permission of the Central Council.

6. **2002-2003**

College was visited but not permitted. The clarifications was also asked that why admission for the session 2001-2002 were made whereas Central Council did not grant permission for the 2001-2002. The clarification with the facts were placed before the Joint meeting of member of Education Committee (Ay.) and member of Executive Committee. The Committee did not agree to grant permission for the session 2002-2003.

**2003-2004**

College filed a case in the High Court. Affidavit has also been filed by the office. As matter is sub-judice. Hence college was not proposed for visitation 2003-2004.

However matter placed before Education Committee as per instruction of the President.

*Education Committee decided that if college withdraw the case then matter may be considered by the Committee of President, CCIM Chairman, Ayurved Committee and Chairman, Education Committee (Ayurved).*

President clarified the same and informed that admission of 25 students during 2003-2004 have been approved and communicated to all concerned. This was approved by the Council. However, a Note of dissent of Dr. VP Tyagi in this matter was recorded.
3(xvii) To keep provision of separate Post of Medical Superintendent in the Hospital of Ayurved Colleges.

It was noted that Chairman, Education Committee (Ayurved) expressed that some Institutions desires to keep the separate post of Medical Superintendent in Ayurved Hospital attached to Ayurved college.

He further expressed that according to the present CCIM norms, Principal is ex-officio Superintendent of the Hospital. Since administration of the Educational activities itself is a big work. Principal can not execute the responsibilities of the Hospital. Though there is a post of Deputy Superintendent mentioned in the set up of CCIM but that is not enough as the Deputy Superintendent does not work independently and ultimate burden of administration fall on the shoulder of the Principal. This create a stress and ultimately quality of work at both the posts suffer.

Therefore, in special circumstances, the post of the hospital Superintendent should be separate so that administration of college and hospital can be managed smoothly.

a) Qualification for the hospital Superintendent should be equivalent to the qualification prescribed for the post of the Principal.

b) Some time persons holding the post of Principal have their specialization in non-clinical subject and do not have much experience of hospital routine.

c) Pattern of separate Medical Superintendent is being followed successfully in the medical colleges since year.

The Education Committee decided to allow the Institutions who desires to keep separate post of Medical Superintendent.

The Central Council decided that:-

1. The Principal of the college may also be medical Superintendent of the hospital.

Or
2. There may be a separate medical Superintendent with required teaching experience.

Or

3. A non-teaching person with a minimum of 15 years experience as Medical officer may also be entitled to become Medical Superintendent of teaching hospital.

4(xxii) Resolutions received from Members, CCIM

Dr. K Anil Kumar

At present there are three professional courses for the Ayurvedacharya Course (BAMS) and University examinations for all subjects for each professional course is conducted at the end of 18 months of training. It is a heavy burden to the students to appear for examinations of various subjects at the end of the professional course. The workload could be effectively reduced if examinations for certain subjects are conducted at an earlier stage. For example in all the professional courses, some examinations can be conducted at the end of 12 months and the remaining examinations could be conducted at the end of 18 months. Such a semester system will also increase the tempo of studies, as there will be university examinations more frequently.

It is resolved that the scheme of examinations of the Ayurvedacharya (BAMS) course shall be changed to permit the conduct of university/board examinations at the end of 12\textsuperscript{th} and 18\textsuperscript{th} months of each professional course as noted below:-

time-limit specified in the scheme;

(e) whether any arrangement has been made or programme drawn to impart proper
training to students likely to attend such medical college or the course of study or
training by persons having recognized medical qualifications;

(f) the requirement of manpower in the field of practice of Indian Medicine in the
medical college;

(g) any other factor as may be prescribed.

It was also noted that Shri Sai Ayurved College, Aligarh has also informed that some of
the staff members of our college were shown as their employees and those employees
(details of whom are given hereunder) have been working in our medical college in their
respective capacity:-

1. Dr. OP Batra  Principal
2. Dr. Manohar Ram  Lecturer
3. Dr. Vijay Prakash Bharthi  Lecturer
4. Dr. Gaurav Jain  Lecturer
5. Smt. Vandana Chaudhari  Librarian
6. Shri Chander Kant Chaturvedi  Accountant

The visitation report were placed before Education Committee (Ayurved) in
its meeting held on 21.3.2004. The Education Committee referred the same
to Ayurved Committee. The Visitation report was considered by the Ayurved
Committee and decided that on the basis of visitation report of the visitors of
the Council shortcomings be forwarded for compliance. Since new
regulations relating to opening of new colleges has already been enforced so
such matters, in future, should be considered as per new regulations.

The Central Council ratified the same.

x) Minimum Standards and Requirements for colleges & attached hospitals
of Ayurveda.

It was noted that minimum standards and requirements for colleges and attached hospital
have been reviewed in Workshops organized at Government Ayurved College,
Thiruvananthapuram on 19-20th February, 2003 and Surya Mukhi Dinesh Ayurved
Mahavidyalaya, Booty Ranchi on 11-12th March 2003. Ayurved Committee in its meeting
held on 22.3.2003 while ratifying the minutes of 48th meeting of Education Committee
(Ayurved) held on 21.3.2003 authorised President, Vice-President (Ayurved) to constitute a
Sub-Committee under Agenda Item No.2(iv) to workout the details of teachers in various
Departments. Accordingly, Sub-Committee consisting of the following was constituted:-
1. President  
2. Vice-President (Ayurved)  
3. Chairman, Education Committee (Ayurved)  
4. Dr. VP Tyagi  

As per instructions of President, meeting of Sub-Committee was held on 28.5.2003 in the office of Central Council.

Minimum Standards and requirements for Ayurvedic colleges and attached hospitals prepared by Sub-Committee were circulated to the Health Secretary of all State Governments vide letter No.3-13/2003-Ay. dated 30.6.2003 with the request to send the comments within 90 days as required under provision of section 22(2) of Indian Medicine Central Council Act, 1970. Only two States have submitted their comments as under:-

1. **Government of Kolkatta**

   1) The minimum bed strength for a hospital attached to Ayurvedic college should be 75 for a student strength of 50 only i.e. the ratio for the beds and students should be 1:5:1 and 2:1 as proposed. The requirement of infrastructure for establishment of a new college will be less and thus the establishment of new Ayurvedic college can flourish.

   2) For a college having the strength of 60 students, the beds also may be limited to 90 or 100 keeping the ratio of beds and students 1:5:1. But in case of student strength more than 60, the beds may be 1:3 for the number of beds exceeding 60 beds. Thus for 70 students strength the beds may be 90/100 plus 30 i.e.120/130. Similarly, in case of 100 students in a college the minimum strength should be 90/100+120=210/220.

   3) Thus, new colleges may be started with 50 students strength with 75 beded hospital. For a students strength of 50 and having 75 beds covered area required will be 15,000 Sq.ft. only.

   4) We are of the same opinion that teaching staff for various departments of Ayurvedic colleges are for 50 students or less should be reduced to 35 only. Similarly, we endorse the proposed 43/50/57 teaching staff in total for various departments of an Ayurvedic colleges for admission of 60/80/100 students respectively. We have also no objection to the proposed staff requirement for OPD Section and also for laboratories and Museum etc.

   5) The requirement space of administrative wing should be reduced to 15000 sq.ft.. The total requirement of space of various departments should also be new Ayurvedic colleges can be easier by the State Government and also the non-Government Organisations.
Government of Maharashtra

a) Proposed minimum bed strength for teaching hospital attached to Ayurved colleges is acceptable. However, it is necessary to give at least three years time to comply the said requirement to the existing colleges.

b) Provision for the outdoor treatment Sr. No.6 Atyayik (casualty) should be optional instead of compulsory.

c) The space requirements shown for Agad Tantra Museum 500 Sq.ft. is not necessary. The same may be determined as per the requirements of that Department.

Government of Haryana has consented for the same.

In this regard, it was noted that as per provision of Section 22(2) of the Indian Medicine Central Council Act, 1970 the Central Council shall before submitting the regulations or any amendment, thereof, as the case may be to the Central Government for sanction, take into consideration the comments of any State Government received within three months from the furnishing of the copies as aforesaid.

Education Committee considered the comments received from the State Governments and decided that there is no need for any change in the proposed Regulations relating to Minimum Standards and Requirements of Ayurved College & Hospital approved by Central Council. These may be forwarded to Government of India for further necessary action.

Recommendations on Minimum Standards and Requirements were approved with the authorization to the President, CCIM for minor modifications if necessary.

Agenda Item No.7 Ratification of the minutes of 33rd meeting of Siddha Committee held on 22.3.2004.

It was noted that 33rd meeting of Siddha Committee held on 22.3.2004. The minutes of the same were circulated. However, the minutes of Siddha Committee were read before the Central Council by Dr. V Arunachalam, Chairman, Siddha Committee.

5
No members of Unani System of Medicine were present in the house for supporting the amendment.

Regulation 9

Amendment Suggested

but President shall not exercise this power to sanction seat strength, open a new college or a higher course of study or training.

Since the power to sanction seat strength, to open new college or a higher course of study or training has been vested with Government of India, hence, no need of this amendment.

Regulation 87

Amendment Suggested

Secretary, CCIM will have to be vigilant that no order/letter/circular be issued on the request of any officer which is against the decision taken earlier by Council/Executive Committee. Council/ Executive Committee will be free to take disciplinary action against Secretary, CCIM on violation of this provision.

This was not agreed to by the Council.

(iii) To frame regulation for permission for existing colleges of ISM

Secretary, CCIM will have to be vigilant that no order/letter/circular be issued on the request of any officer which is against the decision taken earlier by Council/Executive Committee. Council/ Executive Committee will be free to take disciplinary action against Secretary, CCIM on violation of this provision.
The President, CCIM clarified that this matter relates to Education so the preparation of Educational Regulations is the job of respective Education Committees only.

**Agenda Item No.10** Ratification of the minutes of 33rd meeting of Registration Committee held on 21.3.04.

It was noted that meeting of Registration Committee could not be held due to protest of members of Registration Committee for not making available funds, not safeguarding the rights of the Registration Committee and there is no jurisdiction in making the decisions for non-implementation etc.

Chairman, Registration Committee read the proceedings of previous Registration Committee and elaborate that due to non-availability of funds visitation of State Board could not be conducted. He also said that CCIM behaving step-motherly with Registration Committee. If CCIM had not desired any use of Registration Committee it can be dissolved.

Central Council noted that maintaining a Central Register is one of the main ongoing activities and approximately Rs.39.00 lakh has been incurred on publication of Central Register of Indian Medicine different states of different duration in the Gazette of India for publication. It was noted that Government of India has approved 12.00 lakh under plan against the demand Rs. 87.00 lakh submitted by the Central Council. However, Executive Committee in its meeting held on 26.9.2003 allocated the fund of Rs.50,000/- for visitation of State Boards. But Government of India sanctioned Rs.10.00 lakh for Workshop only. The Government of India vide letter No.2-1/2003-Accts dated 22.1.4 was request to release Rs.60,000/- for the purpose Government of India vide their letter No.V.27016/1/2003-Ay.Desk dated 29.1.2004 informed as under:-

“that preparing and maintaining a Central Register is one of the main ongoing activities of the CCIM and all actions of the Council for obtaining copies of State Registers, advising State Board regarding format etc. of Register to be maintained are also ongoing activities. As such, visitation to State Boards to guide them regarding the format of Register to be maintained could not be treated different from an ongoing activity.

All ongoing and regular activities are supposed to be funded from the Non Plan Budget. As such, the request of the Council to release funds from Plan Budget for visitations to State Boards could not be acceded to.”

President clarified that as Budget Estimates for the year 2004-05 has already been submitted to the Government of India vide this office letter No.2-4/2003-Accts. Dated
15.9.2003. Hence, it could not be possible to make available funds for visitation of the State Boards at that moment.

However, President, CCIM agreed that upto 10% budget for visitation purposes should be provided for visitation of Boards.

It was also decided that remaining part of agenda of Registration Committee be considered by conducting a meeting within three months.

**Agenda Item No.11** Ratification of the minutes of 13th meeting of Finance Committee held on 21.3.2004.

It was noted that 13th meeting of Finance Committee was held on 21.3.2004. The minutes of the same were circulated to all the members and were read by Prof. Hakim Abu Bakar Khan Chairman of the then meeting of Finance Committee.

**Central Council discussed and ratified with following modifications:-**

(iv) **Allocation of fund under Non Plan for the year 2004-05**

Dr. Jay Prakash Narayan asked to make the allocation of fund to visit State Boards as per decision of Registration Committee. The Chairman of then Finance Committee clarified that BE for the year 2004-05 has already been submitted to Government of India vide letter No. 2-4/2003-Accts. dated 15.9.2003 hence it is not possible to allocate the fund at the moment. However, due consideration will be given to the matter.

(v) **Suggestion of Dr. Mukesh Walia.**

It was suggested by Dr. Mukesh Walia, Member, Finance Committee that enrolment fee may be enhanced from Rs.500/- to Rs.1000/- and direct registration fee from Rs.1000/- to Rs.2000/- to raise the funds of the Council.

*Finance Committee unanimously recommended the same for the consideration of the Central Council of Indian Medicine.*
Central Council deferred the matter to Registration Committee as it comes under the purview of Registration Committee.

(vi) Honorarium/Remuneration to members of CCIM.

The Finance Committee noted that the action taken on the decision of Finance Committee held on 21.3.2003 regarding Remuneration/Honorarium to members of CCIM. The members of Finance Committee suggested that a letter to this effect may be sent to Government of India, Ministry of Health & Family Welfare, Department of AYUSH, New Delhi for further necessary action in the matter.

Committee is of the view to take up the matter with Ministry of Health & Family Welfare, Department of AYUSH, New Delhi urgently.

Addl.Agenda Item No.1 Resolutions received from Members, CCIM

1. Dr. PK Jain seconded by Dr. RK Yadav, Dr. RS Parihar, Dr. SD Garg and Dr. Sanjay Janardan Tilak
The Central Council agreed to the same.

2. Dr. Shameem Ahmad seconded by Dr. Patanjali Dwivedi, Dr. Bhrigupati Pandey, Dr. Mukesh Sharma, Dr. KM Sharma

We are elected members of CCIM from State of UP as per provision of Section 3 (1) (a) of IMCC Act, 1970. We are serving Government of UP in its Ayurvedic colleges or dispensary or Primary Health Centre under department of Medical Education 2. As and when we attend meetings of CCIM or its committee to perform its duties like visitation of ISM colleges, we have to leave our place of posting during those days. Government of UP do not treat this absence as on duty. We have to apply for sanction of leave.

Therefore, it is proposed that CCIM should bring it to the notice of Department of AYUSH, Ministry of Health & Family Welfare to issue necessary directives to the Principal Secretary, Department of Medical Education, Government of UP, Lucknow that absence from duty for CCIM work be treated as “Official Duty Leave” so that we should not be compelled to avail our leave for the CCIM meetings or its any other work.

The Central Council accepted the same and decided that all State Governments be requested for the purpose.

Visitation of the Colleges:-

The Central Council resolved that visitation of the colleges be conducted for the year 2004-2005 upto April-May.

The meeting concluded with the vote of thanks to the Chair.
